## Nature Environment Protection Training held

Keeping in view the terrible situation occurred due to Climate change and with an objective to minimise its effects, Eurasia Reiyukai Nature Protection Committee, Sanepa had organised two days Nature Environment Protection Training on 11 & 12 February 2016 respectively. The training was inaugurated by the Founder President of Eurasia Reiyukai Mr. Yushun Masunaga. On this occasion Founder President has said in his guidance that horrible condition is being seen on earth due to climate change. We can't do anything unless we change our feelings and implement accordingly by preserving the environment in order to save this earth. The training was held in the active participation of 62 participants from Nepal and India belongs to Eurasia Reiyukai and Resource Persons provided various training on the issues like air

pollution, reasons behind noise pollution and its effects and means of appropriate solutions, waste management through categorization, consequences arises on environments due to deforestation and measures to resolve it and earth quake etc.

## Interaction programme on violence against women

Interaction programme on violence against women was organised on 20th February 2016 at Sanepa. The programme was organised by Eurasia Reiyukai Social Development Center, Sanepa. Maheswori Bista, Asst. Secretary Govt. of Nepal imparted the training regarding gender violence and how to eradicate it. In this training 180 participants from various Mihata Branches of Eurasia Reiyukai took part. Hon'ble Minister of State, Govt. of Nepal Mrs. Kunti Kumari Shahi, who had been graced the valedictory ceremony as chief guest, handed over the certificate to the participants. Speaking on the occasion she said that she herself took the membership of the social organisation

Eurasia Reiyukai during her school life and this organisation has been providing pragmatic teachings to its members and through this training also the participants can make the society better having implemented the various things learnt from this training to their respective families and society positively. She also emphasised that violence against women can't be stopped unless we come forward from ourselves against it. She appreciated the efforts of Eurasia Reiyukai for organising this sort of training and anticipated that it will bring changes in society.

## Citizen Cleaning Campaign

Eurasia Reiyukai has availed the opportunity to organise citizen cleaning campaign along with citizens regularly on Saturday in India & Nepal respectively. In this series, on 27th February 2016 we take the opportunity to organise cleaning campaign from Dhobighat to Sanepa Height under the leadership of Eurasia Reiyukai and the gracious presence of Hon'ble Minister, Drinking Water and Cleaning, Govt. of Nepal Mr. Prem Bahadur Singh being Chief Guest. On this occasion hon'ble minister lauded Eurasia Reiyukai for always coming forward persistently in social services activities. He expressed his hope that organisation would continue the cleaning campaign with proper planning in days ahead too.
